Künstleretikett von Thorsten Poersch

Vintage	2024
Residual sugar	0,6 g/l
Acidity	8,3 g/l
Alcohol	11,5 vol%
Drinking temperature	9°C
Aging potential	25 years

THE WINE

After eleven months of maturation in old 1200l and 600l barrels, the wine shows an intense scent of stone fruit and citrus aromas reminiscent of orange peel. In addition, old woody notes with lots of mineral spice. Extremely lasting on the palate thanks to a salty minerality, present acidity and some tannin. Very long finish with lots of pull and excellent depth. A wine that can develop over many years.

THE ORIGIN

The Schlossberg mountain lies in the bend of the Rhine, where the river has dug its way back to the north. The steepest vineyards in the Rheingau, with a gradient of up to 65 percent, are partly held in place by high vineyard walls. The soils here consist of barren Rhine slate and quartzite and also serve as heat storage. The name comes from Ehrenfels Castle, the ruins of which can still be seen from afar today.

THE VINTAGE

The 2024 wine year was marked by unusually wet and warm weather. Spring started off mild, but a drop in temperature in April slowed down the development of the vines, which was further hampered by high rainfall in May. The summer was changeable with frequent rainfall, while temperatures fluctuated. Despite some dry spells, rainfall remained above average. In mid-September, a rapid yet intensive grape harvest began, requiring a great deal of selection. The result in the cellar was a vintage of cool, elegant and lively wines.

PAIRING

With marinated salmon, seafood and white poultry.
