Wine profile

## 2021 GB SAUVAGE RIESLING

### Region

The Rheingau covers approximately 3.000 hectares of vineyards and is one of the smallest wine growing regions in Germany. The southerly exposed vineyard sites protected by the Taunus mountain range are a reliable source of one of the finest Riesling wines of the country.

### Vintage

After three years characterized by warm summers and low rainfall, 2021 presented us with a cool and wet summer that challenged us viticulturally. After a warm winter, we again feared that there would be an early bud break again and that the trend of the last few years would continue. But a cold spring luckily slowed down the development of nature. Due to cool temperatures in July and August, we only started harvesting in mid-September. The grapes were extremely varied in quality and quantity... as there was a back and forth in terms of weather throughout the year.

### Grape variety

In terms of elegance and finesse Riesling is the country's premier grape. The vineyards along the Rhine provide ideal growing conditions. With its distinctive aromatic profile, delicate structure and tangy acidity Riesling produces not only the finest German wines, but also it earns world-wide recognition.

### Soils

The grapes for this wine are sourced from Rheingau vineyards with shallow to deep gravel clay soils with patches of quartzite and slate.

### Wine estate

Implementing a strict quality philosophy Bernhard Breuer turned the family-owned wine estate with its 40 hectares into a leading estate in the Rheingau. Today, his daughter Theresa Breuer runs the estate supported by vineyard manager Hermann Schmoranz and cellar master Markus Lundén.

### Wine description

Bright pale yellow with green reflexes and primary aromas of apricot and lime. Lush and refreshing with a youthful acidity structure. An easy-to-drink wine.

Alcohol 11,5 % vol. · Residual sugar 6,3 g/l · Total acidity 8,8 g/l
